#### 1. VISUAL CHECKLIST

| NO | DESKRIPSI                                                                                                                 | CHECK |
|----|---------------------------------------------------------------------------------------------------------------------------|-------|
| 1  | Periksa tata letak komponen yang terpasang sesuai dengan desain gambar                                                    | ✓     |
| 2  | Periksa dimensi komponen dan grounding masing – masing komponen harus terkoneksi pada busbar                              | ✓     |
| 3  | Periksa dan pastikan merek dan model sesuai dengan list komponen pada desain gambar                                       | ✓     |
| 4  | Periksa dan pastikan kekencangan koneksi setiap wiring harus kencang dan dilakukan marking pada komponen yang telah dicek | ✓     |
| 5  | Periksa marking komponen,label komponen dal label phasa harus sesuai dengan desain gambar                                 | ✓     |
